SCPA

[Click here for more information.](#)

- **Online Registration:** We have moved to using an online registration process. This is linked to the AMEA website. AVA will still require registering with our database, because we need member information that will not be included on other registration forms. Upon completion of event registrations, an email confirmation with invoice will be sent in order to complete the process with payment.
- **SCPA:** AVA will contract a recording engineer for each District to provide recordings of each choir's performance their director, free of charge.
- We will update you on other decisions made at Summer Board during Fall Workshop.

- In order to maintain an up-to-date, viable database of active AVA members, each member must register their contact data on the AVA website. [Click here to register for 2016-2017.](#)
- Rebekah Stevens is our Executive Secretary this year, and has also accepted the position of Webmaster for AVA. All payments should be sent to her. Rebekah

can be reached via email: execsecava@gmail.com or P.O. Box 1259 Northport, AL 35473.

- Each event requires a separate check for payment. Do not combine events with one payment.
- Be sure to get to know your District Chairperson. He/She can help you if you have any questions!
- Make sure to renew your NAFME membership so you are eligible for AVA events and so you can use all parts of the website.
